Debra Rogers
Falmouth Community Television
Chair, Alliance For Community Media
1100 G Street Suite 740
Washington, D.C. 20005

Dear Ms. Rogers:

I regret that I am unable to join you and your fellow members of the Alliance for Community Media at the Alliance's National Conference and Exhibition in Pittsburgh. If the opportunity arises, I hope you will share with the membership just how much I have enjoyed working with you and your colleagues to craft and build support for H.R. 3745, the Community Access Preservation (CAP) Act. It is no small feat to get 30 Members of Congress to cosponsor a bill that is so complicated and I know that this is due in large part to the work of your organization and your networks of PEG supporters making sure Members are up-to-speed and understand the need for the bill.

Preserving community access is a mission to which I am fully dedicated. With the continued help of the Alliance, I believe we will achieve our shared goals. Please know that my staff and I are grateful for everything Alliance for Community Media has done.

Sincerely,

Tammy Baldwin
Member of Congress
