FCTV - 13 COMMUNITY CALENDAR

FCTV's Community Calendar reaches over 15,000 Cable subscriber homes. "Electronic Print" is a great way to let FCTV Channel 13 viewers know what's happening in Falmouth. FCTV's community bulletin board is for Falmouth non-profit, community group, municipal and government entities to use to publicize activities, events or meetings. A Falmouth phone number must accompany each press release. Special Greetings (B-day, anniv., Mothers Day) may be displayed for $10 per day, prepaid. Community Calendar forms may be picked up at FCTV during normal business hours. Forms must be submitted 1 week prior to when you want your message to begin airing. All messages that have not been renewed may be removed after 1 month. FCTV Staff reserve the right to edit, re-format, and/or refuse any message. Political announcements are subject to FCTV policies. Commercial messages are prohibited. Non-profit, municipal, government and community groups that are FCTV members may design and post their own messages. For information on designing and posting messages, please email: marcia@fctv.org.
